**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM**

This endorsement modifies insurance provided under all lines of insurance in this policy subject to the Terrorism Risk Insurance Act.

### **A. Disclosure Of Federal Participation In Payment Of Terrorism Losses**

The United States Department of the Treasury will pay a share of terrorism losses insured under the federal program. The federal share equals 85% of that portion of such insured losses that exceed the applicable insurer deductible. However, if aggregate insured losses attributable to certified acts of terrorism under the Terrorism Risk Insurance Act, as amended (TRIA), exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of such losses that exceeds \$100 billion.

### **B. Cap On Certified Terrorism Losses**

A "Certified act of terrorism" means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism. The criteria contained in TRIA, for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to TRIA; and
2. The act resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of an United States mission; and

3. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to certified acts of terrorism under TRIA, exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under TRIA, we shall not be liable for the payment of any portion of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

### **C. Application Of Other Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion, War Exclusion or the War And Military Action Exclusion.
